Accessible & Local

Located in Portland's historic Hollywood District, we offer practical legal help without the barriers of a downtown firm. With easy transit access and free parking, meeting with your lawyer should feel straightforward – not stressful.

Responsive & Authentic [Alt: Real People, Real Communication]

Whether you're planning ahead, navigating a loss, or facing a dispute, communication matters. Legal issues are too important for automatic replies and unanswered voicemails. When you reach out to our office, you connect with a real person who listens, responds, and keeps your case moving forward.

Compassion & Advocacy [ALT: ...Across Life's Challenges]

Estate planning, probate, civil disputes, and litigation often come at difficult moments – times of transition, conflict, or uncertainty. We combine thoughtful legal strategy with genuine understanding, advocating for outcomes that reflect both your interests and your circumstances.

Local Insight & Regional Reach [Alt: Serving Both Sides of the Columbia]

We represent clients in Portland, Oregon and Vancouver, Washington, bringing regional experience and a grounded understanding of our local courts, communities, and legal systems. Whether you're in Oregon or Southwest Washington, we're here to help you with consistent and reliable representation.
